**Chair of Governors:** Mr Ashfaq Khan

15<sup>th</sup> May 2020

Dear Parents and Carers,

I do hope that all of you are keeping well?

I wrote to you earlier in the week about the announcement made by government that schools *may* be reopening at the start of June for children in nursery, reception, Year 1 and Year 6.

We continue to make plans for what this might look like for our children, staff and families. However, we are taking the time and consulting guidance to make sure that any plans are right and safe.

Children, staff and parents safety is at the heart of all decisions that we are making.

We will be contacting you again next week with more details and the answers to some of the questions that you are asking.

In the meantime, school continues to be open for children of key workers and for our more vulnerable children. This is based at King Egbert School.

Mrs Edwards and Miss Sailsa have been there this week supporting children with their learning, as well as baking and doing yoga! Mr Gough and Mrs Byers are there next week.

If you are a key worker and require a place, please email [enquiries@netheredge.sheffield.sch.uk](mailto:enquiries@netheredge.sheffield.sch.uk) to discuss.

For clarification of who are key workers, please consult this government advice

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>.

The **key worker groups** are health & social care, education and childcare, key public services, local and national government, food and other necessary goods, public safety and national security, transport & utilities, communication and financial services.

It is so wonderful to see all the fantastic things that you are doing at home and sharing with us on Dojo and through other communication with school. Nether Edge Primary continues to be a thriving school!

Very best wishes

Michele Nott
