

Y1 Maths Medium Term Plan 2020 - 21: Winter Cycle

Addition (& Subtraction) Read, write, interpret statements, one-step problems	(Addition & Subtraction) Read, write, interpret statements, one-step problems	Measure recognise and know coins and notes	Contingency weeks to give space for longer than a week for some areas or single session recall of taught topics.	+/- Number Bonds	Measure measure & record time	Fractions quarters	Measure tell the time	Contingency weeks to give space for longer than a week for some areas or single session recall of taught topics.
--	--	---	--	---------------------	----------------------------------	-----------------------	--------------------------	--

Week	Must Do	Teach
1	Addition (& Subtraction) Recall from R: Add numbers that total up to 10 Teach for Y1: Solve addition (and subtraction) problems using concrete objects and a number line	
2	(Addition &) Subtraction Recall from R: Add numbers that total up to 10 Teach for Y1: Solve (addition and) subtraction problems using concrete objects and a number line	
3	Measure Coins & Notes Recall from R: N/A Teach for Y1: Recognise and know the value of different denominations of coins and notes	
4	Consolidation Weeks	
5		
6	Number Bonds +/- Recall from R: Practically calculate number bonds to 5 Teach for Y1: Understand number bonds to 10 securely	Fractions & Halving Recall from R: Halve objects practically Teach for Y1: Understand the concept of a whole and that fractions are equal parts of a whole. Recognise that halves are two equal parts of a whole so two halves are equivalent to one whole.
7	Measure: Time Recall from R: N/A Teach for Y1: Tell the time to the hour and half past the hour	Place Value Recall from R: Compare amounts less than ten using more and less Teach for Y1: Given a number, identify one more and one less
8	Fractions and Quarters Recall from R: N/A Teach for Y1: Understand the concept of a whole and that fractions are equal parts of a whole. Recognise that quarters are four equal parts of a whole so four quarters are equivalent to one whole.	Measure Coins & Notes Recall from R: N/A Teach for Y1: Recognise and know the value of different denominations of coins and notes

Y1 Maths Medium Term Plan 2020 - 21: Winter Cycle

9	<p>Measure: Time</p> <p>Recall from R: N/A</p> <p>Teach for Y1: Recognise and use language relating to dates, including days, weeks, months and years</p>	<p>Number Bonds +/-</p> <p>Recall from R: Practically calculate number bonds to 5</p> <p>Teach for Y1: Understand number bonds to 10 securely</p>
