	<p>The focus for this half term of writing is training the children to sit at the table properly, writing posture, pencil grid &amp; forming letters properly.</p> <p>NC guidance: Pupils should be taught to: form lower-case letters of the correct size relative to one another. Start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left unjoined. Write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters. Use spacing between words that reflects the size of the letters.</p> <p>Pupils should revise and practise correct letter formation frequently. They should be taught to write with a joined style as soon as they can form letters securely with the correct orientation.</p> <p><b>Monday and Friday are lessons dedicated to handwriting – they are standalone handwriting lesson and do not necessarily need to be linked, particularly at first (use Martin Harvey materials).</b></p>								<p><b>Monday and Friday are lessons dedicated to handwriting – they are standalone handwriting lesson and do not need to be linked (use Martin Harvey materials).</b></p>
